

Buckingham

Farmers are plowing and getting ready for their crops of tobacco and corn next spring and the high prices being paid for tobacco is causing planters to prepare more land than usual and it may be there will be over production and cause the low prices to come again.

Mr. Henry Patterson sold a load on the Farmville market of low grades late cutting and got from \$6 to \$10. Mr. Crouch has the best looking prospect for a hay crop next season that I have seen.

Misses Roma and Evelyn Garrett expect to spend Thanksgiving with Mr. Walter Garrett, in North Carolina.

Mr. Wm. P. Ellis is still very feeble and it is so nice of his friends to go and talk to him and cheer him up and keep him from getting lonesome.

Mrs. Wm. P. Hall has returned to her home in Staunton after a pleasant stay at "Vare's" home.

The fight has been begun and the Davis men and the Swanson men are already lined up. I am for Swanson and I think he will win out though the Davis adherents are not letting any grass grow under their feet.

Men are begging for work but they want \$1.25 a day which is more than farmers can afford to pay at the present prices of what they have for sale.

Veals are selling as high as 12 and 13 cents a pound and eggs are still high but these are the only things that farmers are getting good prices for now.

The Lynchburg Tobacco warehouse reports sales the past week as follows: Large common \$8 to \$12. Large good \$10 to \$18. Small leaf \$35 to \$50. Wrappers \$45 to \$55.

The Dillwyn Tobacco market will open this morning with regular sales from day to day. The highest price yet paid on that market is \$25 per cwt. Tho it is persistently rumored that some wrappers had been sold there for \$1 per pound.

Sheriff Snoddy took two negroes and the white man, Wyatt Pendleton to Dillwyn last week where they were met by a guard from the penitentiary who took them to that institution.

Sheriff Snoddy also went to Richmond and brought back a man named Tanner who was charged with getting money on or false pretenses the case was tried at Shepherd's before Justice of the Peace, Leon P. Gille, and the case sent on to the grand jury, the accused gave bond for his appearance when court convenes.

The sale of mules and horses levied on by the Sheriff will take place on Saturday, Nov. 26th, at the Court House.

Dr. Lacy filled his appointment at Emanuel last Sunday and had the Bishop with him who preached a most excellent sermon and confirmed a class of four to one of who the rite of baptism was administered. One thing the Bishop mentioned in his sermon was that instead of getting all we can out of our fellow man we should do what we can to help him.

Although last Sunday was a very inclement day the congregation at Emanuel was as large or larger than usual and people were there from other counties.

Mr. George W. Newton will soon move his saw mill to a new location nearer the Court House.

Thanksgiving day will be generally observed and the teachers and children will have holiday. Truly we have a great deal to be thankful for.

Careless With Money

Few men are careless with actual cash, but many men do not stop to think that the checks and notes they give out represent money and that fraudulent alteration of a check may mean a serious loss. Protect yourself by using paper that betrays alteration—

Paper. We can tell you more about it and show you how we can protect your cash, your checks, notes, drafts, and receipts.

Apotite-Spoons.
"Apotite-Spoons," called also "spoon-spoons," were gift spoons given by the sponsors, or "godmothers," to a child at its christening. They were called because each spoon had a figure of an apotite on the handle.

Paraffin for Dull Furniture.
When your furniture gets a little dull looking and feels sticky, try putting a little bit of paraffin on a rag and rubbing it with a clean duster until every bit of the oil is removed. It will leave a nice polish and be very satisfactory.

Start of the Umbrella.
As a shade from the sun the umbrella is of great antiquity. Sir Gardiner Wilkinson has engraved a delineation of an Egyptian priestess traveling in her chariot through upper Egypt where the car is furnished with an umbrella.

Was Very Weak

"After the birth of my baby I had a back-set," writes Mrs. Mattie Crosswhite, of Glade Spring, Va. "I was very ill; thought I was going to die. I was so weak I couldn't raise my head to get a drink of water. I took . . . medicine, yet I didn't get any better. I was constipated and very weak, getting worse and worse. I sent for Cardui."

TAKE

CARDUI

The Woman's Tonic

"I found after one bottle of Cardui I was improving," adds Mrs. Crosswhite. "Six bottles of Cardui and . . . I was cured, yes, I can say they were a God-send to me. I believe I would have died, had it not been for Cardui." Cardui has been found beneficial in many thousands of other cases of womanly troubles. If you feel the need of a good, strengthening tonic, why not try Cardui? It may be just what you need.
